Two Fabric Bargello by Susie Weaver

Maximum: 6 participants per class due to each participant requiring a design wall.

How can you make a stunning bargello with only 2 fabrics? The key is that one of the fabrics is a graduated blended stripe (ombre). The insert (focus) fabric can be anything that you think works well with the ombre, either complementary or contrasting colours. You should avoid anything directional for the insert fabric.

The pattern includes directions for three variations as shown.

Cedar House Quilting has in stock 7 different ombre fabrics for a cost of \$16.00 per meter plus taxes.

An 8th one is on order (grey) and hopefully will be here beginning of February.

**PLEASE NOTE : it is not necessary to purchase the pattern nor the ombre fabric and/or focus fabric from Cedar House Quilting.**

A complete list of materials required will be provided to registered participants.

To register please contact Helen at Cedar House Quilting.
